

THE NEXT STEP

Start with what happens tomorrow.

If you were unavailable next week, could your family take over? The honest answer to that usually sets the agenda for everything else.

LIVE YOUR ONE BEST LIFE

Family Office & Family CFO

You have built something remarkable. But if you are the only person who understands how all of it fits together, you haven’t really secured it. A Family CFO sits at the centre of the professionals you already have and holds the entire picture.

HOW WE WORK

ONE POINT OF COORDINATION

We convene your attorney, CPA, insurance and banking relationships around a single plan.

THE WHOLE BALANCE SHEET

Operating businesses, real estate, entities, private holdings and public markets in one view.

CONTINUITY, WRITTEN DOWN

A protocol and a place your family can reach, so nothing depends on you being available.

WHO THIS IS FOR

- Families whose wealth spans businesses, property, entities and investments
- Families on the other side of a sale, with more to coordinate than to invest
- Families where one person holds all the knowledge and nobody else could step in
- Families whose advisers have never spoken to each other

WHO SITS IN THE MIDDLE

WHAT WE DO

WHAT’S INCLUDED

- Estate strategy coordinated with your attorney
- Multi-year tax planning across entities and generations
- Family governance and next-generation education
- A complete balance sheet and document vault
- Business valuation, exit and succession (CEPA®)

Nothing has to be in-house, and nothing has to change. We work with the advisers you already have, and where you need one, we bring in trusted attorneys, CPAs and specialists from our own network.

ADVICE FOR LIFE — THE SAME FOUR STEPS, WHICHEVER DOOR YOU CAME THROUGH

01 Discovery

Before we crunch numbers we talk about what matters most to you — family, community, pastimes. Together we figure out where you are now.

03 Solutions

We recommend specific strategies aligned to each goal, across every area of your financial life, and implement the plan.

02 Planning

We assess where you stand against your goals and priorities, weigh the financial implications of each, and build the framework of a plan.

04 Monitoring

Life happens. Tracking keeps the plan on target, so we can anticipate change and adjust as circumstances do.

ONE OF FOUR — THE WHOLE CIRCLE IS AVAILABLE TO YOU

A wealth manager’s relationship ends with you. A Family CFO’s continues with your family.
