

THE NEXT STEP

Start with a plan review.

An hour with your plan documents and fee disclosure tells you where the plan actually stands — on cost, on process, and on what it does for your people.

LIVE YOUR ONE BEST LIFE

Group Benefits & Retirement Plans

A retirement plan has three constituencies with three different problems: the company that carries the fiduciary responsibility, the owner trying to put money away efficiently, and the employees who need someone to actually talk to. Most advisers serve the first and treat the other two as afterthoughts.

HOW WE WORK

FOR THE COMPANY

3(21) or 3(38) fiduciary services, investment policy, menu design, documented monitoring.

FOR THE OWNER

Safe harbor, new comparability, or a cash balance plan layered over the 401(k).

FOR YOUR PEOPLE

Enrollment timed around shifts, one-on-one meetings for every employee, financial wellness.

WHO THIS IS FOR

- Companies and nonprofits sponsoring a 401(k), 403(b) or 457 plan
- Plan committees who need documented process and fiduciary support
- Owners who want the plan designed around what they can put away
- Employers preparing for a sale, where the plan must be handled correctly

We are provider-agnostic. Part of our work is telling you whether the recordkeeper you already have is still the right one.

WHAT WE DO

WHAT’S INCLUDED

- Fee benchmarking — recordkeeping, administration and investments
- Provider search, conversions and payroll integration
- Committee meetings, minutes and a compliance calendar
- 457(b) and 457(f) for nonprofit executives
- One-on-one meetings — no minimum balance, no cost to the company

ADVICE FOR LIFE — THE SAME FOUR STEPS, WHICHEVER DOOR YOU CAME THROUGH

01
Discovery

Before we crunch numbers we talk about what matters most to you — family, community, pastimes. Together we figure out where you are now.

03
Solutions

We recommend specific strategies aligned to each goal, across every area of your financial life, and implement the plan.

02
Planning

We assess where you stand against your goals and priorities, weigh the financial implications of each, and build the framework of a plan.

04
Monitoring

Life happens. Tracking keeps the plan on target, so we can anticipate change and adjust as circumstances do.

ONE OF FOUR — THE WHOLE CIRCLE IS AVAILABLE TO YOU
